WLSA Record of International

Education

WLSA Record of International Education intends to include a collection of topics addressing current and future trends of international education with a focus on international curriculum in this issue.

Objectives

The WLSA Record brings together the latest research, case studies and student experiences in the field of globalization of secondary and higher education. It is a source for challenging ideas for readers to examine how trends in international education shape the world. The goal of the WLSA Record is to promote cultural understanding in all facets of learning.

Suggested topics

1. How to implement an international curriculum in your school? What are the challenges?
2. How to effectively integrate the curriculum of study abroad , extracurricular and core curriculum in school?
3. How to cultivate students' soft skills? How to implement quality-oriented education?
4. What are the opportunities and difficulties in a class of diversified cultural backgrounds?

Target Audience

The book is suitable for: researchers in educational field, teachers, parents, students in K-12 and higher education, practitioners in education field .

Submission Procedure

Researchers and practitioners are invited to submit *on or before* **15 September 2017**, a 1-2 page article proposal, which clearly explains the mission and concerns of his or her proposed article. Additionally, they are requested to send a copy of their CV and a short introduction paragraph (biographical sketch) about themselves to the editor. Authors of accepted proposals will be notified by **25 September 2017** about the acceptance of their proposals. Full articles are expected to be submitted by **15 October 2017**. All submitted articles will be reviewed on a double- blind review basis. We may also invite contributors to serve as reviewers for this project.

Suggestions for Article Types

1. Case Studies, Theoretical Paper or News: 1,500 to 3000 words.
2. Research Paper: 4,000 to 6,000 words (Please follow APA format) .
